Our Mandate & Vision

M/s Jivan Bharti Life Society is an established non-governmental organization dedicated to empowering underprivileged communities through systematic skill development, sustainable livelihood enhancement, and comprehensive grassroots welfare. Registered under the Societies Registration Act (Reg. No. HR016201800325), the Society operates extensively across Haryana, Rajasthan, Himachal Pradesh, Assam, and Uttar Pradesh.

Our core mission is to break the vicious cycle of generational poverty and social exclusion by equipping youth, rural artisans, women, and marginalized groups with industry-relevant, NSQF-aligned vocational competencies. We believe that every individual has the fundamental right to access economic resources, practical education, and dignified employment opportunities.

During the financial year **2022–23**, the Society significantly expanded its operational footprint beyond relief and transitional aid into large-scale, structured skill execution under state missions including the **Haryana Skill Development Mission (HSDM)** and the **Rajasthan Skill and Livelihoods Development Corporation (RSLDC)**, alongside decentralized multi-state vocational training centers.

Rajbeer Yadav
President / Chairman

It gives me immense pleasure and pride to present the Annual Report of **M/s Jivan Bharti Life Society** for the Financial Year **2022–23**.

The post-pandemic year of 2022–23 represented a pivotal transitional chapter in our organizational journey. Moving decisively from emergency disaster relief to long-term sustainable capability building, the Society expanded its vocational training infrastructure across Haryana, Rajasthan, Himachal Pradesh, and Assam. Our dedicated operational teams successfully partnered with key government skill missions (HSDM and RSLDC), training thousands of rural and semi-urban youth.

Today, our strength lies in our decentralized delivery framework—operating active centers in Narnaul, Bhagwari, Kheroli, Jamalpur, Dausa, Assam, and Himachal Pradesh. Through targeted job fairs (Rozgar Melas), continuous industry tie-ups, and practical on-the-job training modules, we have ensured high placement conversion rates and self-employment empowerment.

I extend my deepest gratitude to all our government partners, corporate patrons, dedicated instructors, and the rural communities who place their trust in our vision. Let us continue marching forward to build an empowered, self-reliant India.

In FY **2022–23**, M/s Jivan Bharti Life Society realigned its core interventions around post-pandemic socioeconomic recovery, market-oriented skilling, and sustainable community empowerment:

1. NSQF-Aligned Youth Skilling & State Missions

Implementation of demand-driven vocational courses under HSDM (Haryana) and RSLDC (Rajasthan) across high-growth industrial and handicraft job roles.

2. Multi-State Decentralized Center Network

Maintaining standardized, fully equipped training centers in remote pockets including Assam, Himachal Pradesh, Dausa, Bhagwari, Jamalpur, and Kheroli.

3. Industrial Placement & Livelihood Linkages

Organizing Rozgar Melas and executing Letters of Intent (LOIs) with manufacturing and handicraft clusters to ensure sustainable wage and captive employment.

4. Ecological & Community Resilience

Grassroots ecological stewardship through large-scale tree plantations, village sanitation drives, gaushala support, and vulnerable family welfare.

M/S JIVAN BHARTI LIFE SOCIETY • NARNAUL, HARYANA

Income & Expenditure Account (Profit & Loss) for the Period 01/04/2022 to 31/03/2023

TOTAL EXPENDITURE & SURPLUS	**66,72,000.00**	**TOTAL INCOME**	**66,72,000.00**

STATE SKILL DEVELOPMENT MISSIONS (HSDM & RSLDC)

During FY **2022–23**, Jivan Bharti Life Society deepened its strategic engagement with government skill initiatives, actively deploying training programs in coordination with the **Haryana Skill Development Mission (HSDM)** and the **Rajasthan Skill and Livelihoods Development Corporation (RSLDC)**.

These programs delivered structured, National Skills Qualifications Framework (NSQF) aligned curricula. Youth from socioeconomically disadvantaged backgrounds were enrolled in technical and service job roles, receiving rigorous domain training, soft skills instruction, digital literacy, and workplace ethics.

By aligning our batch mobilization directly with regional industry requirements, our candidates attained substantial competency benchmarks, paving the way for third-party assessments and nationally recognized certifications.

Classroom vocational instruction & candidate orientation session (FY 2022–23)

DECENTRALIZED REGIONAL CENTERS FOOTPRINT

A defining highlight of FY **2022–23** was the operational scaling of the Society's decentralized training center network across northern and north-eastern India. As reflected in our audited financial statements, specialized operational investments were sustained across:

- **Assam Training Center:** Imparting livelihood skills to rural tribal communities.
- **Himachal Pradesh Center:** Hill-region youth empowerment in trade-based skills.
- **Rajasthan (Dausa Center):** Handicrafts, apparel, and rural artisanal programs.
- **Haryana Rural Hubs:** Active operational centers at *Bhagwari*, *Kheroli*, *Jamalpur*, and *Narnaul*.

This decentralized network ensures that quality training infrastructure reaches remote rural youth at their doorstep, removing geographical and financial barriers to education.

Trainee mobilization & center operations in rural project areas (FY 2022–23)

ROZGAR MELAS & PLACEMENT LINKAGES

In FY **2022–23**, Jivan Bharti Life Society prioritized wage employment linkages by organizing dedicated **Rozgar Melas (Job Fairs)** in collaboration with regional industrial associations, trade partners, and MSMEs.

Certified candidates across technical, service, and handicraft disciplines appeared for direct on-campus interviews with employer representatives. Successful candidates were awarded offer letters and job placement certificates on the spot.

In addition to wage employment, our placement cell conducted entrepreneurship workshops, encouraging trainees to form self-help micro-enterprises with bank linkage support under government credit schemes.

Certificate and offer letter handover at Rozgar Mela placement drive (FY 2022–23)

TRAINEE KITS & EDUCATIONAL MATERIALS DISTRIBUTION

To ensure that financial limitations do not deter candidates from completing their courses, the Society distributed complimentary, high-standard training kits to all enrolled candidates under Skill India and state-sponsored programs during FY **2022–23**.

Each kit comprised sector-specific curriculum workbooks, standardized toolkits, branded trainee uniforms, identity cards, safety equipment, and personal stationery.

The distribution drives were conducted across our centers in Haryana and Rajasthan, ensuring trainees possessed the requisite tools from day one of practical workshops.

Distribution of Skill India toolkits and learning bags to trainees (FY 2022–23)

ECOLOGICAL STEWARDSHIP & TREE PLANTATION

जीवन भारती लाइफ सोसाइटी के द्वारा पर्यावरण संरक्षण हेतु वृक्षारोपण कार्यक्रम सम्पन्न किया गया।

Recognizing the imperative of environmental conservation and climate resilience in arid rural zones of Haryana and Rajasthan, Jivan Bharti Life Society conducted extensive tree plantation campaigns in FY **2022–23**.

Hundreds of indigenous, shade-giving, and fruit-bearing saplings (Neem, Peepal, Shisham, Jamun) were planted across community grounds, panchayat lands, and school campuses. Trainees and local youth were sensitized to adopt trees, ensuring post-plantation maintenance and watering.

Community tree plantation drive conducted by Society volunteers (FY 2022–23)

SWACHH BHARAT VILLAGE CLEANLINESS DRIVES

जीवन भारती लाइफ सोसाइटी के द्वारा आसपास के गाँवों में साफ़-सफ़ाई अभियान चलाया गया।

Aligned with national sanitation goals, our volunteers and trainees spearheaded village-level cleanliness drives across Mahendragarh district during FY **2022–23**.

Activities included clearing roadside litter, desilting open drains, cleaning community water ponds, and conducting doorstep awareness on solid waste segregation. Village panchayat representatives actively collaborated with the Society to institute regular sanitation routines.

Rural cleanliness and sanitation campaign in village streets (FY 2022–23)

GAUSHALA SUPPORT & ANIMAL WELFARE

जीवन भारती लाइफ सोसाइटी के कार्यकर्ताओं के द्वारा गौशाला में गायों को पौष्टिक चारा व गुड़ वितरित किया गया।

In adherence to the Society's founding ethos of compassion for all living beings, regular visits were organized to local Gaushalas in Mahendragarh and adjoining districts during FY **2022–23**.

Society members provided nutritious fodder, clean drinking water arrangements, and seasonal feeds (jaggery and mineral mixtures) to support bovine health during peak weather transitions.

Animal welfare visit and provision of cattle feed at local Gaushala (FY 2022–23)

VULNERABLE FAMILY WELFARE & HEALTH SUPPORT

जीवन भारती लाइफ सोसाइटी के द्वारा जरूरतमंद व श्रमिक परिवारों को सहायता प्रदान की गई।

Throughout FY **2022–23**, the Society maintained active community surveillance to assist nomadic tribes, daily-wage laborers, and families undergoing acute economic distress.

Essential grain supplies, seasonal clothing, and preventive health screenings (measuring vitals and distributing hygiene kits) were provided directly at settlements. The Society expended ₹59,500 on medical kits and localized health monitoring drives during the year.

Essential family support and nutrition distribution drive (FY 2022–23)

International Yoga Day & Morning Assembly at Training Center

Certified Trainee Batch with Instructors & Center Head

ACKNOWLEDGEMENT & GRATITUDE

The Management Committee of **M/s Jivan Bharti Life Society** places on record its profound appreciation and gratitude to all donors, government skill missions (HSDM, RSLDC), corporate collaborators, master trainers, community elders, and our indefatigable ground staff for their steadfast dedication throughout FY **2022–23**. It is through this collaborative harmony that our programs have made tangible differences in grassroots lives.
